You're in trouble! Keep this up + Every animal lover in America will get you thrown the hell out of our Country. You come here for greed to make money on man's best friend the dog!

You say dog food is healthy. What about the chemicals in their tissues for Rabies, Heart worm, etc. Immunization + lie that it provides miracle cures for old age, sex, sick people. How dare you!

Furthermore, you call us hypocrites + say we make trouble for you. No! You make trouble for us and want to make canned kash

out of our beloved family pets? What kind of damn are you? This is a domestic pet

We don't eat domestic animals. Get that

straight you Bastards! Interject that in

Vietnamese + see what you truly are.

May God punish you for in our Bible he tells us to protect domestic animals but he also curses 2-legged animals like you.

We will get you! Not physically - its in threat but we will get you put out of your vile Satanic Business. You are going to hell; hellfire. You don't understand what man's best friend
