Dear Mr. Bonuso,

Recently I received your introductory letter for the Solomon Project. The information contained in that letter caught my attention. With a view to our forthcoming journal on Law Enforcement in Europe (West and East), published by BookWorld Publications in the Netherlands, I would be interested in receiving more information on the Project.

As it happens I will be in New York next week. Would it be possible to meet on Monday November 3rd., early in the morning or late in the afternoon?

I hope to hear from you soon.

Sincerely,

A handwritten signature in black ink, appearing to be "Anton C. van de Plas", written in a cursive style.
